

Wedding Day Checklist

Provided by Smokey Mountain Sounds

*Take pictures before the ceremony so you don't miss your own reception. If you don't want to see each other before the ceremony, get the separate photos you want out of the way before the ceremony. Make sure you have a list of must have photos for your photographer so you don't get distracted and take more than 45 minutes after the ceremony.

*Eat something before the ceremony, and enjoy your day.

Checklist for Both the Bride and Groom

- Charged Cellphones with Chargers
- Itinerary or Timeline for the Day (your Wedding Planner or DJ can help you with this). Stick to the timeline as much as possible. You don't want photos to take too long where the food gets cold for your guests.
- Assign someone to grab your belongings after the ceremony and reception.
- Personal Wedding Vows (If you choose to do so)
- Final payments and Gratuities for your Vendors
- Water and Snacks (this is going to be a long day; stay hydrated and keep your energy)
